“ Dear Rochester family,
I am very sorry to hear of the recent death of Betty. I send the family my heartfelt condolences.
The Bible refers to death as being an enemy of mankind, it doesn't discriminate, and it spares no one. Needless to say, when we are affected by death, there are no words to describe the sadness and pain that we feel. We may wonder how we will ever be able to cope at difficult times such as this. The Bible can help us in this regard. The scripture at 2 Corinthians 1:3-4 describes God as being the Father of tender mercies and the God of ALL comfort. Isn't it encouraging knowing that at difficult times such as this, God is there for us, ready, willing and able to assist us?
Our Heavenly Father has revealed to us through the pages of his word the Bible, that he has put into place a remedy for death that remedy is the resurrection hope.
The scriptures at John 5:28-29, promises us that those who are in God's memory will be resurrected.
When Jesus was here on the earth, he proved that he has the power to bring the dead back to life. On one occasion, he resurrected the man Lazarus back to life. (John 11:11-44). On another occasion, he resurrected a 12 year old girl. (Luke 8:49-56).
These miracles give us the assurance that God and Jesus will do the same for our beloved family members who have died.##imported-begin##Sandra##imported-end##
