“ Ms. Betty was a good friend to my mom for years, they worked together and Betty visited Mom many times. I enjoyed being there for a few of those visits and listening to their stories. My Mom(88 yrs old) has missed Betty so much since she has been sick and now will miss her even more, but we know her suffering is over and new life has begun.. R.I.P. Betty and say Hello to Dad for us.! 💖 So glad I was able to take Mom to visit her at Capstone and Hospice.. made all the difference to them both. Bless you all.
