“ She and my mama were sisters. She was my favorite Aunt of all and she knew it !! My own mother has been gone since 1997 so she's been waiting for a while for her sister to join her in Heaven. I feel sure the two of them are catching up with each other, lol. Like they always did when they were still here. I miss my mama, I think of her all the time, and even though my Aunt Betty and I didn't talk often she always knew how much I loved her!! She told me that so I know it's true!! ❤️
I hope she is resting in the arms of an angel until she gets her own wings 🙏🙏
