“ What a precious lady we had at Park Place. Betty always called me her friend and did not hesitate to say the words "I love you". So many people long to hear those words. Betty always seemed to give a smile even on those days I knew she wasn't feeling so great. So often she just could not get the temperature right in her room. So I would adjust it for her and she would just smile and say "thank you, but do you think it will be ok now?" Betty professed to be a believer in Christ and I believe she lived that life to the best of her strength. But I couldn't help but chuckle as I thought about her passing and as she entered into the eternal glory of Christ, she would want to know if the temperature was just right. So if I could speak to her I would tell her "Betty it is not just right, IT IS PERFECT just like all of Heaven is perfect." May God strengthen and comfort her family as they face the days ahead. Family. Hold to the memories and cherish them until the day you too can join her in the presence of her Lord.

“ Betty has been a family friend it seems forever. She was always such a caring, sweet friend especially to my Mama! Memories of her and Mama making German potato salad together for Oktoberfest each year is just one of the precious memories I have . Praying for the family at the loss of a wonderful lady.
