“ *Dear family, I'm very sorry to hear of Betty Sue's death! After talking to Lisa at the "gathering" at the apple festival I thought she was getting along pretty well. Betty was always a dear friend and I will surely miss her. We talked for a few minutes on Sunday after the A.F. and she seemed to be in such a good spirit, especially having seen Willie Nelson and getting to shake his hand at the concert! Family, she expressed to me her confidence that she was spiritually ready to meet the Lord, and was really ready for that event. You are all in my thoughts and prayers as you face the coming days. GOD LOVES YOU! (and so do I) . Randall Broome*
