“ Charles, I was so sorry to hear of Billie's death. May God be with you and your family in your time of sorrow.  
I remember being at one of our earlier class reunions and Billie being the center of attention when everyone learned she was the only grandmother there and yet she was the youngest looking and the cutest one there.

“ Charles and family, please accept Dick's and my condolences and prayers on Billie's passing. I remember with great fondness what good times she and I had as children making play-houses, playing games, buying tootsie rolls from Mr. Wickliffe's store, walking to grammar school in West Union, and later riding the bus to high school in Walhalla together. As often happens, time and distance took their toll but I have never forgotten my sweet friend with the long pigtails and I have thought of her often through the years. She will, I have no doubt, be sorely missed by all who knew her and most of all by you, Charles. Our prayer is that God will shed his grace and love on you during these long and difficult days.

*Charles and Debbie, I'm so sorry for your loss. I don't think two people touched so many lives in SC than You and Billie, you were Mother and Father and Best Friend to every teenager you ever met. You both were the most kind and caring people I've ever known. My heart breaks for you, but it's for sure there's a special place in heaven for you both. God Bless You and Thank you for always having time for all of us kids that grew-up with you both. A grateful friend.....Ricky Roach*
