“ *I am very sorry for your loss. My father, Donnie Young, would have been 82 this year. He grew up in Walhalla and spent 21 years as a Navy Seabee. I feel certain that Mr. Bottoms and my father have probably crossed paths either locally or as Seabees.*

God bless each of you.

“ *Bill Bottoms was a fine man, who I remember fondly. Captain Gary Cooper and I were very impressed with Bill when he came to work with Southern Security at Duke's Oconee Station. He was a dedicated officer who took his job seriously. Well-liked by all on the team, he never failed or refused any task and always gave 100% support to our goals and objectives. His background in the U.S. Navy was impressive and impeccable; his contributions marked in history as keeping this great country he loved, safe and strong. Bill was a good man who touched my life and will always be remembered as one of the best. May God bless his family. Full speed ahead, Billy!*
