“ *Duncan family, I always admired Billy. He set a standard for me to try to follow when I first met him at Hepsibah. I asked him once if he ever got tired of doing so many of the lay jobs at Hepsibah and his answer has always stuck with me. He simply said, "it's an honor to be asked to do anything so I'll glad do it". God bless you all! Tommy and Kim*

“ Billy was chairman of deacons when I went on staff at Hepsibah as Minister of Music. For the first several months our family was there, he went out of his way to make sure we were adjusting to the area and church well. It was such a blessing to serve alongside him and his family. Sending love and prayers for the family.

“ Mr. Billy told me many years ago, “You have to bloom where you’re planted”. It was a word aptly spoken in a young man’s life that I never forgot. Mr. Billy was a great example of blooming where you’re planted.
