“ I just would like to say and I hope everyone will read this. My Billy was the most kind hearted and special person that I've ever known. He had a heart the size of Texas. He had a place in his heart for the homeless. He was always trying to help someone. He would say "only by the grace of God it could be him. If you didn't know Billy then I'm sorry for your loss because he was truly a special person
