“ *My first memory of Bill was roughly 1959. He was in the air force at the time and was dating and married my sister Carole. I thought he was the handsomest man I had ever seen. I thought at the time that he was very tall also, which I realized later was wrong. I remember the tiny travel trailer they were living in when Charles Roy was born. It was like a little doll house. Unfortunately their marriage did not last long and it was many years later when I saw him again. He always treated me with affection and respect. He was also dedicated to Leslie and Charles and had a loving relationship with his recently departed Martha.*

*I'm sure he will be missed by all who knew him and I am sending my warmest sympathies and prayers to all involved.*
