Growing up Ms Bobbie was my other mother. The fondest of memories was with her taking us to the beach. I'm sure it's been a great loss to her family.

“ Thinking of you all and the memories of our youth and how our life paths have intersected so many times in so many ways through the years. The days at the lake and times visiting together as children will remain as fond memories in my heart. I will pray for each of you in this time of loss and sorrow as we now say goodbye to the last remaining parent between us. Thank God for their friendship and ours. Love You All,
David
