“ It's been many years since I've seen Bob. I recall a cramped trip in a small car with him and Linda to Texas to pick up his daughter Susan. Texas was my home state and any chance I had to visit I was going to take. We had many laughs on that trip, and a slap in the face from Linda (over a joke because I scared her). Lots of good memories. May he rest in peace in Glory Land.

“ *Bob was like a second father to me growing up. Although I haven't gotten the chance to be around my second family for a while, I have many fond memories of sleepovers Josie and I had! We may have lost a great man, husband, father, grandfather, and friend, but heaven has gained another perfect angel! Bob will remain forever in our thoughts! Love and prayers to everyone in this hard time!*
