“ *Bonnie was my aunt but also meant so much to me and my son Thomas. When my son started staying with my grandmother Mimi in 1971 until he started school Bonnie was a second grandmother to my son. Words can never repay what she did for all the family but she will ever be missed by me and especially my son Thomas. We love Bonnie.*

“ Oh, how my family and I loved Mrs. Bonnie! I have many, many sweet and wonderful memories of her from as far back as I can remember. She was a Godly lady who will be missed by everyone who had the privilege of knowing her. I'm sure she had a big welcoming committee awaiting her arrival in Heaven and can only imagine her happiness at being reunited with Butler again and to finally be in the presence of our Lord. My thoughts and prayers are with her dear family and will continue to be in the days to come. Much love!
