“ *"She is not gone, just gone ahead".  
Bonnie had the best laugh, I will always remember it. I am going to miss her so much. But she is so happy now with Uncle Roy, Mama and Pop, Uncle Bill and Aunt Doris, Cindy and her family, and so many others of our family who have "gone ahead." And she now knows what lies ahead, she now has met Jesus face to face. She has now heard him say "Well done, good and faithful servant. Welcome home." She now walks on streets of gold, sings with the angels, and I can hear her hearty beautiful laugh ringing all over heaven.*

“ *It was a joy to know Bonnie from our days together at Calvary COG. She was a true example of what a Christian should be. Always smiling, upbeat and positive. We are especially blessed and thankful for her influence on our children and other members of the youth group at that time. We are truly saddened to learn of her untimely passing but know where she is at this very moment. Well done, Miss Bonnie. We will miss you but will see you again.*

“ A true, "earthly", Angel has been taken home! With a heart overflowing with love she always made those around her feel like family! A wonderful friend to have. Even thru the struggles of life, she always focused on the positives. Her determination to honor her parents was always evident. She will be greatly missed. But, she would tell you right quick, "It's only temporary!". Mozelle, Roger and family, my prayers are with you. Focus on the Father, Bonnie sure did!

“ Bonnie was always so precious to my husband Edd & myself when we were able to come to church. She made it a point to come over to where we were seated and greeted us with her warm smile and precious love the way she always did. She just seemed to glow with the love of Jesus. To all of Bonnie's family, we send our sincere sympathy and love from the deepest part of our hearts. We were so glad that we had the opportunity to know her like we did. May our sweet Savior hold all of her family in His loving arms throughout the days and weeks to come as you begin to go on without this sweet gal in your life. Just know that she is with her beloved Jesus and there is no more problems now. She is there waiting on all of us to get to heaven to be with her.

“ *Bonnie is the sister in Christ I was blessed to know in this life and will be reunited with once again. Her father, mother, and brother are extended family that my family are better for having them in our lives.*

*Right now, I picture her with her father, Roy, in a Ford pick up driving around heaven to just see the sights and race along the golden streets. The pain of her absence will ease but the laughter, love, and years of so many good stories and times will remain.*

*She lives in the love she left behind and her greatest gift - bringing me back to church in Christ.*

“ *Bonnie was the kind of person who had a pure heart, and sincerely loved her friends and family. Having grown up with Bonnie in church, I have many memories of youth group, especially our fun outings and trips, and teen talent competitions! I will miss her sweet smile and her occasional cards that she sent to me, just to say a word of encouragement. I know in my heart that Bonnie is walking the streets of gold, enjoying being in the presence of her Savior and Lord. Until we meet again, friend!* ”
