“ I had the pleasure of working with Brad at Wachovia Bank in Clemson quite a number of years ago. His sense of humor was one of my favorite things about him. When I heard of his passing this morning I was stunned. I am so sorry for your loss. He was a good man and I know you will miss him terribly. May God give you comfort as you grieve his passing and peace as you remember him with wonderful memories.

“ *Brad and I first met in the fall of 1974 when we played rec league football at Walhalla. Even though I was from Salem and had never played organized football before, Brad and several of the other good guys on the team welcomed me and became a life long friend. Later, as adults after college, we worked together for a very brief period of time. Brad was always a good friend with a kind heart and a great sense of humor. I have no knowledge of the cause or circumstances of his death and just found out the sad news. I am stunned and deeply saddened. My sincere condolences to his very nice mother, Mrs. Grant, and his entire family. I'd not seen Brad in about 2 years and we had lost touch. He was a good guy and friend. Goodbye, buddy. Rest in eternal peace with God.*
