“ *Mr & Mrs. Bethke:*

So sorry to hear of the news of Brad, you have my sincerest condolences. I know we haven't kept in touch but childhood freinds you never forget. Some of my fondest memories of growing up are playing with Brad and Blair at your old house in Utica.

“ Hello Ron; Larry Head e-mailed me in regards to your son Brad; of which I was very sorry to hear. I remember our days at Fisher Body and I always thought highly of you.

My wife and I still reside in our first house here in Warren and two of my three sons live here in MI with the youngest in Tampa, FL. We have three grandkids, a girl 12, boy 14 and 20 yrs old.

I'll turn 73 this month, still ride my motorcycle, ham radio and fly radio controlled model airplanes. I am happy that I don't have a job with the stress that it would bring nowadays!

Kindest regards to you and yours,

“ We are sad to hear of Brad's passing. We had not seen Brad since 1993 when we visited you along with the Davidsons while on our way to FL to buy this house.

Most of our memories of him are as a child while growing up in MI after our move from NJ. Yours was one of the first families to have a video game system! We'll always have a special place in our hearts for Brad and pray that God will strengthen you during your grieving process. You are a very loving and giving family and you were blessed to have Brad with you all. Please accept our sincere sympathy.
