“ My dearest family and friends of Brandon. Words cannot express my shock and disbelief that he has passed on. I am in shock and shaken to the core. Although Brandon and I were just friends through State Farm, i felt truly blessed that God put such an amazing person in my life. He treated me like he knew me his entire life. He will be missed. To his family, friends and colleagues...keep his memory close on your heart. We were truly privileged to know him. May he rest in eternal peace.
