“ *Mama, I love and miss you. To think that tomorrow will be 3 whole years that you've been missing from my life is unreal. I talk about you to Wade every single day. I look at you every single day because I have your pictures on my fridge. Devin, daddy and you. I can't even imagine the time that you are having in Heaven, but I KNOW that you are in total peace. I never imagined that it would be this painful. It's just because I miss you this much!*

“ Mom.....I looked at a picture of you today, and it nearly took my breath away, I wanted to call you, but I knew you wouldn't answer. I wanted to hear, no I needed to hear your voice. What do I supposed to do with all I have to say?? There is so much I want to tell you everyday! Sometimes when I'm alone driving, I just want to scream and cry so loud. People say time, it takes time. It just breaks my heart, I don't know what to do. I'd give anything just to talk to you. I love you Mom! I miss you so much it hurts. I have lost Something in me since you passed. Not sure what, but I feel like I keep going down hill. Mom, I miss you every second of the day. I love you forever ❤️

It's coming up on 3 years. It feels like it's been 13! I'm doing better than I was mentally. I can only thank God for never leaving my side, for He held me together when I was falling apart. I knew you were in good hands, but so was I. You'd be proud, I'm really into studying God's Word every day! I don't miss a day! I know how you feel now, when you'd tell me how much you missed Granny. I feel that now, a hole or an emptiness that only a Mom can fill. I wouldn't have you back, I'm just looking forward to His return! I'm ready now!! I love you forever

“ *Mama I really miss you. It's everyday I cry and I just wish I could talk to you and give you a hug. Since losing Devin, I have needed you. It seems like I have no one but Wade. You were ALWAYS there for me whenever I needed you.*  
*Losing you, Devin and daddy has left a hole in my heart and it still hurts as bad if not worse since the day you left us. Hug and kiss daddy and my babies for me. I love you mom and I more than miss you!*

“ Mom, it’s been 9 months...& it still hurts as bad as the day you left. I miss you so much! It’s still so hard to believe that you are no longer here. People say it gets easier, I don’t believe that. I believe you learn to live with the loss. And a lot of the days Are a struggle. You have to learn to live without that person in your life who meant so very much to you. But I know God is seeing me through this. He is my Rock. I love you Ma! Forever

“ Our moms just loved sitting together talking for hours and hours! Now, they can catch up. We loved Joyce so so much! So many wonderful memories of her smile, her laugh and her love. Always a caring, loving person. We will miss her, and always remember her with a smile until we see her again. Love to your families in your time of need and grief. Don't be afraid to lean on us whenever you need to! And remember, heaven is a wonderful place.
