“ *Sanford, I would not even know where to start to tell you how much Brenda meant to me. It seems like time just passed us by and we both had jobs and families that kept us busy, but I will miss her with all my heart. Did you know she's the one who introduced me to Kenneth? That's a story for another day but I will never forget her and all the wonderful memories I have to cherish of all the fun we used to have . I will keep you and the family in my prayers and know God will send you comfort. Gayle*
