“ *Brian and I worked together for many years at Michelin. We have shared an office the last couple of them. We have solved a lot of problems together and had a lot of laughs and good times. We even got in trouble together. Brian is already missed greatly. He was never outworked there, and I don't think you could find a person who didn't like being around him or working with him. Brian, from all your Michelin Band of Brothers, we love you and will keep you in our minds and hearts. Go Badgers!*

“ *Daniel, I just want to let you know how sorry I am to learn of your Daddy's death at such a young age. I taught you in the 4th grade at Oconee Christian Academy. You were a great student and I would love to hear from you now. I remember your family being very close to the late Gail Adams. She loved all of you siblings. Praying for you. Love, Sara Astin*
