“ *Our hearts are broken but memories of Candi will never fade. She loved to make people happy, it was a joy to hear her laughter. Loved cooking and baking, everything she made was from scratch, it didn't matter how long it took, she got it done. She loved her family and children but also showed how much she loved the Lord.*

Candi might have had a broken heart losing her dad and mom on this earth but our Heavenly Father has brought them together again. We shed tears but rejoice the homecoming God has given her. God will give her brother and family comfort and peace knowing we all will all get together again.

*Our love and prayers,
Howard and Mary*
