“ Rachel, I am so sorry for your loss. Knowing that he is no longer in pain, and is now with all his loved ones who have preceded him is a comfort I am sure. Having lost my husband Norman almost 11 years ago now, I can tell you that you will never stop missing him, but it does get less hurtful with the passing of time! My thoughts and prayers are with you! All my love, your cousin Charlotte (Canyon Lake, Texas)

“ Rachel and family, I am saddened to learn of Carey's going to his Eternal home. He will be missed here but take some comfort in knowing you can meet him again. I liked Carey from the first time we meet thinking Rachel this is a keeper  
Covis19 is keeping a lot of friends away that would love to visit and give you a big bear hug and cry with you but know that my prayer is that our loving God will comfort you in his bigger arms and give you comfort and peace for the days ahead. Lean on Him he has broad shoulders.( I know)  
Love you Rachel and will keep you in my thoughts and prayers in the days ahead.
