“ *Im sorry to know that Cowboy passed away and from cancer. I knewed him almost all my life. He used to ride by our house in town in Liberty on his beautiful horse and i was about 9 years old and a tomboy. So i asked him if he would take me a ride on his horse and he said ok and helped me up on it and from that day on we become bestfriends. I went from riding his horse to riding on his motorcycle, in his Mustang and his rail buggy. By this time i had my license and he would let me drive his rail buggy. We were together almost everyday for many happy years. If he didn't come by Mamas to get me i would drive to his Mamas where he lived on Anderson Hwy in Liberty. I loved his ( y'alls ) Mama. It broke my heart when she passed to. It was so funny when she would get on to Cowboy about something and that was quite often. Lol. He would say ah Mama and mumble something. Gina a friend of ours that run around with us and go to Cowboys. We had been trying to get him to shave off his beard and his Mama was all for it to. Well finally he let Gina cut it off and shave him. He looked really good and was very handsome to. He kept it cut for awhile but he let it grow back out. He said it was to much trouble having to shave. Lol. He use to say i was his daughter and some people thought i was because we were allways together. And to this day some people still ask me if i was the one who use to ride on a motorcycle with Cowboy. I have even been asked ain't Cowboy your Daddy. He was really a good friend and i Miss him. I will always remember Cowboy and the good times we had together.  
RIP Dear Friend*

*I remember him playing with me when I was a child. He would catch bumble bees and chase me with them. I would run screaming. Good memories.*
