“ My brother-in-law Carl Jordan was an incredible man. Always happy and positive. Even through fighting lung cancer for the past several years he is the bravest man I know. My sister Donna Fay was married to him for 31 years. Please keep her and the family in your prayers. If you would like to send her a card, please message me for her address. Reason for the grillin and chillin towel is because my sister had towels for only hand drying towels and dish drying towels and Carl would never use the correct towel so when I would visit them, I would take him new hand drying and dish drying towels and sometimes I would write on them with a marker so he didn't get in "trouble" for using the wrong towels He loved grilling outside so I bought him this grillin and chillin towel. I sure am going to miss you Carl, I love you my brother-in-law! No more pain and no more suffering. Fly high in Heaven! Your sister in law Debbie ❤️

“ *I am so sorry for your loss. Carl was an amazing person. Very happy person. I feel like a part of his whole family besides being his brother's sister-in-law. My children were around them a lot and called Betty Maw Maw Betty. I love the whole family. We had so many fun times on the softball field in our younger days along with his brother and most of my family. He will never be forgotten. He is with Jesus and I will see him again. Sending lots of love and prayers. Robin Dillon*
