“ *I was away at the time of Carol's death and have just learned of her passing. I recently visited with her at Lila Doyle Nursing Home and she was the same smiling, caring Carol I will always remember, in spite of her illness. I used to see her at the West Union post office and she was always welcoming with sweet words and a huge hug (such a tiny little lady). She was a gentle soul and I will always remember that smile. May she rest in God's great peace. Maeve Binder*

“ *From my earliest memories of Carol, well over 50 years ago, until the last time I saw her about a year ago, Carol ALWAYS spoke and seemed sincerely glad to see me. Her smile and attitude was contagious. In whatever she did all the way through junior high and high school, she always represented the Class of '65 with enthusiasm and honesty. We were all proud of her.*

As I read comments from her former students I was humbled to realize what an amazing teacher she was. The young people whom she taught have her positive influences that they still enjoy today. What a legacy! Well done, thy good and faithful servant... My prayers are with the family during this time. May you feel the Lord's presence and comfort.

“ Carol was one of the sweetest ladies in the world. Horace and I were so proud to call her friend. Everyone who knew her loved her. She had a gentle spirit, kind heart, wrote beautiful poetry, loved her students, and made everyone she knew feel special and unique. She was one of my favorite school mates. When I first moved to South Carolina she made the extra effort to welcome me at both school and church. Rest in peace beautiful lady - you will be missed by all.

“ Mrs. Ramey was my 3rd grade teacher and she introduced me to Shel Silverstein. For a military brat who moved schools a lot, for me to remember her and remember her well, you know she was a special teacher. She even remembered me when I graduated high school. Thank you for everything, Mrs. Ramey (although that wasn't her name when she was my teacher). You are missed, but you made a positive impact in my life.

“ So very sad to hear of the passing of this wonderful woman. Carol was my third grade teacher and one of the most influential teachers I ever had. I will never forget her love of music, which became my own, and how her unique style of teaching reached children who couldn't be reached with more traditional styles. She was gentle with the perfect amount spice and a twinkle in her eye that let you know she understood you and truly cared that you believed in yourself. I thank her for her patience with me in learning long division, and for more than I probably even realize. You will be missed and you will be remembered for your loving spirit, creative approach to teaching, and huge heart.
