“ I will never forget Carolyn's wonderful laugh! She was so much fun to be around, Carolyn could even make bus duty fun when you had duty with her! She was an avid Clemson fan. I can see her now at the ACC championship in Florida running after the team's bus yelling Dabo's name! I know she is in heaven with our Lord and savior Jesus Christ.

I am so sorry to hear of Carolyn's passing. She always had a sweet smile and a kind way about her. I saw her often at Northside. May God hold you all in His Hands at this time. I just recently buried my mom and I found out that it is important to take time to grieve and do what needs to be done and let the rest wait. She is with her Lord and Savior. Blessings to you all.

“ We are so sorry for your loss Trask Rudasill family. We will always remember Carolyn. as a sweet, kind and gracious lady. I started my first job away from home at the Walhalla hatchery. My wife Cheri and I arrived one evening and Carolyn and Jack Sr. We're there to welcome us with open arms. You see we were city folk that just arrived in the sticks. It was a real life Change for us. We became part of the fish hatchery family for 2.5 years. Carolyn and her family helped us with the new life changing event. She helped us through out fears and anxieties of living the secluded hatchery life. She will always have a place in our hearts. She was a very special lady blessed with kindness.

With sympathy,
Norm and Cheri Heil

“ Caroline was such a sweet and loving soul. When we moved to the fish hatchery, she was such a blessing. She maded me feel very welcomed and understood how I felt being that far from home. I have many fond memories of Carolyn and the family. As our family grew she was always there to help or give me the encouragement that a new Mom needs. Sending prayers to the family and rejoicing in the fact that she's now in a better place.

“ My Dearest "Mrs.Trask", my beautiful 4th grade teacher who became a colleague.I have such fond memories. The commercial project you did with us was so much fun. I can still remember being so excited. I also remember you were so sweet and laughed it off when Sherri and I decided to change classes to see if our teachers could tell the difference between us twins. Later, watching you work with one of my vision impaired students and giving me advice how to best help her only made me appreciate you more. You are such a dear soul and a part of my heart always. I love you.

“ I have been a longtime admirer of Carolyn's work as an educator. Her skills in the art of teaching and learning were always pronounced and evident in how she captured the love of children. Those who worked with her recognized her knowledge of curriculum, instruction, and assessment. She left a powerful and positive legacy. Take time to remember her parting gifts called memories.
