“ *I am so sorry to hear about Carrie's passing and my heartfelt sympathy is extended to her family. Carrie was a wonderful companion and friend to my dad, Clyde (Bob) Meisner during the last years of his life. We had so much fun with her and I admired her greatly for her strength of character and her caring for others. My sisters and I had so many laughs with her when she shared the stories of her life. I had told Carrie the last time we spoke that I would visit her for her 100th birthday. I really thought that would happen. She just had so much spunk ! I will carry her in my heart .*
