“ *I am so very sorry and heartbroken to hear this! Carroll was such a fine man, and I thought the world of him! I was his assistant during the 2010 Census, and although it could be a very stressful job, he made every day better just by being the wonderful person he was. To his family, I send my deepest sympathy, as I know he will be deeply missed. May God wrap his arms around you & grant you peace that only He can give during this sad time.*

“ So very, very sorry for your loss. Carroll and I were texting a few weeks back about our classmates, who we still had and who we had lost. This is truly a shock.

Always thought a lot of Carroll and Mary, as our paths crossed a few times in the past. I'm sure he will be greatly missed by all. Praying for peace and comfort for the whole family. With much sympathy,

“ Oh, such wonderful memories we had while Jim and I lived in KK - golf and how well I remember when Jim was in hospital for surgery in Greenville, you and Mary came by our house and got a robe for Jim and he had to sit in back sit (rules) and there he sat, with his Clemson Cap on and hugging his "Sir-Kiff-a-lot teddy bear which was given to him to hold next to his chest and encourage coughing.

“ Carroll was a very special man that I am so glad I had as a friend. I especially enjoyed our times working together at the Food Pantry. He was definitely a Southern Gentleman! May he be at rest.
