“ *Faith-*

*I am so very sorry for your loss. I lost a pregnancy once and it was very tough after I had waited so long and hoped so much. In looking back, I see that God had a bigger plan but the pain was so hard to get through, I will not tell you that there are not rough days ahead and that I don't wonder sometimes who that child would have been, but I can promise that God finds a way for you to cope and that the day WILL arrive for you just as it has for me when I could look back and understand His path even though right now that seems so impossible- You will be in my thoughts and prayers- Faith Owens-Davis##imported-begin##Faith Owen-Davis##imported-end##*

“ I understand that this is a very difficult time for you Danny & Faith.  
Our thoughts and prayers are with you as you take the steps to  
make the doors in the sky open and spread the clouds for the joyful  
new candle holder. Words cannot express or replace the pain, you  
both feel at this time; but remember that when the time comes. A  
open heart, open ears, along with a strong shoulder to lean on, can  
and will be their for you. God Bless The Hedden Family###imported-

“ Danny & Faith,  
  
How our hearts go out to the two of you and your family and friends.  
Words just would not come to even begin to tell you the pain and  
sorrow we feel. If there is any good that can come from this  
devastation, to us it is that God knows best, all things happen for a  
reason, we don't always understand but one day we will.

We love you, we are here for you always.

In God we trust,
