“ I'd like to extend my heartfelt condolences to you and your family on the loss of your father. When you see somebody that has been able to live such a long and full life, one may wonder why does man have to die at all. But God gives us his personal promise found in the Bible at Revelation 21:4, where God tells us that very soon he will do away with death and sickness from the Earth forever, and then he will resurrect Cecil to perfect life on a fully cleansed Earth, being reunited with family and friends and being able to experience life as God meant it to be, which has always been God's purpose for mankind and for his earth.
