“ *He will be greatly missed, what an incredible man. I have been blessed to be part of his life for the past 20 years when I married his son Jim.*

So many fond memories, one special bond I had with him was searching for all the state quarters when they came out, I gifted him with a complete set and he was ecstatic.

I learned a lot about bees, he had all kinds of stories to tell. The last time we went to visit I set up a video camera for over an hour as Jim and I asked different questions to him and Mama. All the responses... Priceless!

We miss you daddy, lots of love from Jim and Sue . ❤️

“ He will be truly missed, I am so blessed to have been a part of his life for the past almost 20 years. The last time we were in Salem I set up a video camera and got a video of him and Mama for over an hour. Just reminiscing about all the old times, Etc. We will cherish this video forever... priceless

A fond memory I have is collecting quarters of all the states , I was able to get all of them for him as a gift , he was so excited.

Jim and I wish we can be part of the service on Friday, with the lockdown due to the virus were not able to leave the state. We love and miss you daddy you are truly an amazing man
