“ I became friends with Charlie when I bought a Police Motorcycle from City of N. Las Vegas. He helped me with my project of restoring it. About six months later Charlie helped me get a job working under him as a part time driver for the fleet garage. I worked there until I got sick from 9/11 related illness I got from working at the WTC attack, I was a Detective in NY C at that time. Anyway, I wish we would have kept in touch. Charlie and our friend and Co-worker Shelby Hargrove were a true blessing to me while I was hospitalized for 2 months. God bless Charlie and his family. I hope to see you when I get to heaven.
