“ Rose,

Danny and I were devastated to learn of Charlie's passing. We will miss him so much. You and he always sit in front of us at church and we enjoyed picking at him so much.

Charlie's passing so suddenly again shows us when God is ready for us to join Him in Heaven, we will go, sick or not.

We are thankful that we had the opportunity to meet and make a friend as he became to us. He will live in our hearts and we know he is rejoicing in Heaven and no longer has to rely on a walker to be able to get around. May God comfort you and your family from this day forward and bear in mind,we,that are ready to meet Christ, will see Charlie again and all our loved ones that are waiting for us, when our time comes to go home as well.

We love you Rose and we will always be there for you.

Love in Christ,

Danny and Joyce Hughes###imported-begin##Joyce Hughes###imported-end##

“ Cindy and Family, I'm so sorry to hear of the loss of your Father and Husband. I remember coming to your house and playing when I was young. Your father was such a nice man. He never seemed to be bothered with all of our antics. May God Bless you all and guide you through this time of grief.##imported-begin##Mandy Snider Tracy##imported-end##
