Ms. Paulette, my heart breaks for you with the passing of Cannon. You two always looked so much in love. I remember sitting at the hospital in the ER when we were there with Dennis and Cannon was so funny. He was talking about your dating days. You two just looked at each other with the biggest smiles on your faces and just laughed. May God wrap his arms around you and send you peace, comfort, courage and the strength to endure the coming days and weeks ahead. Much love and many prayers sent your way sweet lady. Dean & Donna Swafford and family.
