“ *I was totally shocked to hear just this morning of Charles' passing. My relationship with him started out as a business one but very quickly he became a true friend. He always treated me with the utmost respect on the business side and at the same time, always showed interest in what was going on with me and my family personally. My deepest condolences to all of the family. I know he will be missed terribly by all of you, but believe, there are also a lot of us business associate friends out here that will miss him also. Rick Sanders, Systems Specialties Inc.*

“ *Charles was a very special person, he loved our Lord and it showed through his daily life. He was a great friend to us and we always enjoyed it when he would come to visit us here in Las Vegas. We had the pleasure of meeting his family and really enjoyed our times together. Charles would join our Bible Study group and our members really liked him. They would listen to what he had to offer on the book of the Bible we were studying. Charles had a favorite restaurant he would always go to when he visited us. We will never forget you or your family Charles. We loved you and will be praying for Cindy, JD, Lauren and family. Rest in Peace my Brother. Wayne and Shirley and our Bible Study Group.*
