“ *RiP Charles no more pain, no more suffering. You fought a good fight now it's time to rest. We will all miss you and you will always be in our hearts. Fly high with our other relatives who are also angels in heaven. And with your dad and brothers who have passed before you. Bless you Dorothy for I know the pain of losing your son is overwhelming and you have lost three which has to be more than any mother should have to go through may God comfort you and help you through this most difficult time. Johnny I know you are deeply hurt losing all your brothers I can't imagine your pain you and Charles were so very close my heart aches for you and your mom. Charles loved his family and was a wonderful uncle to all his nieces and nephews. We don't always know God's plans but I believe everything happens for a reason. I'm so sorry for your loss Dorothy and Johnny and I'm praying for everyone.*

“ *Going to school with Charles was always good. He was one of the nicest, most polite people I have ever met. He always addressed me with respect and sincere friendliness, back then and after we grew up. It was always a pleasure to run into him because of his obvious integrity. God's blessings to Charles' family. I know he'll be missed but I know he's rejoicing in Heaven. Praises to our Jesus.*
