“ *Carolyn,
You will definitely be my thoughts and prayers with the passing of your lifemate, Doyle. You most likely do not know that I saw Doyle several times at Foothills when I visited Tony Mason. On one of those occasions Doyle repeated my name when I introduced myself to him. Tony was amazed that he repeated my name, especially so clearly. A few other times he seem to know me. However most of the times he would appear to be asleep. May the Grace of our Lord supply you, the daughters, the son and grandchildren the peace that passing all understanding duirng this time and the days to come.
