“ I was so sad to hear of the passing of Charlie B. You all are in my thoughts and prayers. May God comfort you during this time. Charlie B. had a big influence on my life. He kept me out of trouble while I was at the "Chicken Shack!" I really had some great times there!
I have many fond memories of all the trail rides we went on. The swimming in the river, the meals prepared for us, dancing on the plywood before bed and many more!
Charlie B. was a wonderful man! Charlie B. and Billie were good friends to my parents, Frank and Polly Lumkin.
Happy trails Charlie B.

“ *Mr. Charlie B. gave so many of us wonderful memories through The Chicken Shack and Charlie B's. I sincerely hope that he realized how much all his efforts meant to all us back in " The Good Old Days " of our youth. I always loved music and Charlie B's and The Chicken Shack enhanced my love of music so much that I married a musician. I made many friends at The Chicken Shack and I still treasure them to this day. Thanks so much Charlie B for all the magical memories. I sure wish teens today had someone like you to offer them a safe and magical place to create such wonderful memories. You will never be forgotten. I pray that God's peace and love will shower down upon all your family and loved ones and that they know how much all your efforts meant to so many young people back "in the day ".*
