“ Not only was Charlie a wonderful neighbor, he was a special friend. It didn't matter what he was going through, he always asked about my boys. That's just the kind of man he was. He will truly be missed by many! I'm just happy that he has been reunited with Tracy and Dale again in their Heavenly home. Kaitlin, you and your entire family are in my thoughts and prayers.

“ Charlie will surely be missed! He was always generous with his wisdom and would offer me advice on gardening/life which was greatly appreciated. He valued his family/friends and always was thankful. He had a sweet smile and a warm heart. I will miss seeing him and will miss the genuine concern he always had for me and my family. I know he's finally home with his Heavenly Father. My thoughts and prayers are with his family.

“ Charlie was such a great man! He was a dear friend to my dad David and told me often how much he loved him. Charlie would often stop by and see me here at home. He would share stories about his life and his time spent with my dad while they commuted and worked together. He never left here without sharing some elder wisdom which was priceless and never left without telling me he loved me. He will be greatly missed but I know Charlie is at peace with God now. Prayers are with his family.

“ *My heart is broken... Charlie was such a great and wonderful friend! He always had the best attitude, he helped so much when we redid my house back in 2005. He was right there doing a " lions share" of Ms Ruby's house. We used to go eat burgers with him and Dale on friday nights (that he cooked) before heading to Hunnycutts auction. He missed his Dale so much.. There is definitely a whole lot of neck hugging and bear hugs going on in heaven right now! This rain is probably a spillover from him and Dale and Tracy and their happy tears. Until we meet again. ...*
