“ *I was sad to read in today's Youngstown Vindicator about your loss of Chuck. He was a year ahead at Poland Seminary High School. He was Chuckie in those days and I remember him as a great guy who was a lot of fun. Sending sympathy to his family.*

“ *Today I heard of Chuck's death from Poland friends. I haven't seen him since high school--he was a year ahead--but he stands out in memory as a fine and good person, generous in heart and spirit. His family and friends have been fortunate to share these 50 years with him, just as we teenagers were fortunate to have him as a role model. Loving thoughts to you all--*

“ *Charles & Katherine,*

Chuck was a great friend to all of us at The Vending Center in Bessemer, AL. He was not only a customer but someone who touched everyone he came into contact with. He would bring his dog Creed with him to come visit and we loved the time they shared with us! My Father Bill Hutchison, My Brother Billy Hutchison, My Husband, myself and all of our employees will deeply miss your daddy. I know we can all take comfort in knowing his struggles with illness are over and he is full of joy and peace now. If we can ever help you with anything please don't hesitate to call on us.

“ Charles and Katherine,
I just want to express my sympathy to both of you and your families. I've known your father for the past 20 years and he was always so thoughtful and kind. When I lost my husband 7 years ago, your father was always sharing words of encouragement and during his recent illness he always lived one day at a time, thankful for friends and family. I was sad to see him move, but I am so thankful he was with all of you at the time of this death. God be with you and may your memories and your faith bring comfort to you and sustain you in the days ahead.

“ Kat,

You and your family are in our hearts and in our prayers. All though we never met your Dad, we know from the person you are that he had to be a wonderful man! You know that if there is anything you need or anything we can do to help, all you have to do is holler.

“ I am so sorry to hear of the passing of Chuck. He was always so kind to my girls. And, they were always very fond of him. Please know that our thoughts and prayers are with the family. We will not be able to attend the memorial service at the church this Saturday, as we will be moving one of our daughters out of the state. However, please know that you will all be in our thoughts and prayers! Sincerely, The Rozof Family
