“ *Mom, I miss you so very, very much. You gave me an amazing childhood, and you were always my best friend in adulthood. You were the most loving, caring "MOM" of anyone I ever knew. I'll forever have the most wonderful memories of growing up... Getting up early and driving us to school when there was as much as 6" of snow on the ground, with your PJ's on!! Family picnics, our 2 week vacation in the cabin on the lake, taking us to the drive - in on Saturday nights. I have a thousand and one of these. Thank you for being my mom and my bestest friend. I miss you so much. Hugs and kisses till I see you again.*
