“ *From Dr. Allan and Lois Curtiss*

Lois and I both worked in the CCU at OMH with Cheryl in the 1980s.

She was a very caring and competent nurse.

She was a joy to work with.

She had a sparkling personality which she shared freely with her patients and co-workers.

Lois and I are both very sorry to hear of her untimely death.

She will be missed by us and by everyone that knew her.

“ *Cheryl was very dear to me. A great nurse and one of my first mentors as I began my nursing career. She was so in love with Mr Corley and so incredibly proud of and in love with her precious boys. Her proudest roles in this life were being a wife, Mother and Grandmother and she did it all with such love and Grace. Love to all of the family.*
