“ *Brenda and Jamie,*

It has been a great number of years since I've seen any of you. Chris and your family were "down the road" neighbors to my family for many years. I grew up knowing all Chris's Hughes aunts and your uncle. His grandmother Blanch and my great aunt were flower friends---always discussing and swapping plants.

I am saddened hearing of Chris's passing but rejoice in knowing that he is now with his mom and grandmother taking his place among the angels.

Condolences to you all. We will keep you in our hearts and prayers during this difficult time.

“ I am so sorry for your loss. Chris was positive influence on my life, always taking time to ask how my family was and check my "Cuss can". He would congratulate me when it was empty and scold me when there was fresh coins inside. I looked forward each week to our conversations. God bless your family and give you peace beyond all understanding.
