“ Christie was the closest in age to me growing up even though she was my second cousin. I remember spending so many weekends at her mom's house off Page Dr and then off Brown Rd. As we became teenagers we sorta went in different directions and didn't see each other for years til later in life our kids became close to one another bringing us back together again for a short period of time which I hold dear to my heart. Because if I can say I was close to anyone on my mom's side it would have been Christie and my aunt Barbara! We still laugh and talk about the weekend Hope came to stay with us and we went to haunted trails that Halloween. We made such great memories that year. I want to send the family especially Charlie, Haley ,Hope and aunt Barbara my deepest condolences and know I am praying for each of you. Always remember to never miss an opportunity to tell your loved ones just how much they mean to you and that you love them. Tell them the things, you've always wanted to say to brighten their days ahead because we are not promised tomorrow. Life is to short to take moments for granted and to hold grudges in our hearts. I love you all and you're in my thoughts and prayers daily. May God comfort you through your grief and the days and months to follow.

“ I only had the pleasure of meeting Christie a couple of times, but in one of those times she joined me in prayer. I’m praying for the entire family, but also rest assure and know that she is walking the streets of glory. The Stephens Family loves talk so much.

“ Christie really did have a beautiful heart especially for animals! She loved being a momma and mini.. she had a really great sense of humor too, I always had fun when we were together.. we lost a great person and I don't think we will ever be the same. I'm just so happy she's no longer in pain and she's home with her momma!
