Christina "Chrissy" Theos Adams, 49, of Seneca, SC, passed away peacefully at home surrounded by her family and friends on Tuesday, December 27th after a strong, hard-fought battle with Hodgkin's Lymphoma. Chrissy graduated from Clemson University in 1989 with a BS in Management. She was a member of Kappa Kappa Gamma sorority. After college, she attended the University of South Carolina School of Law where she graduated in 1994. Following graduation, she began her career in public service as an assistant prosecutor in Charleston. “ *I was stunned to find out today reading online about Crissy Adams death. I had no idea she was sick back in 2006 before my daughter graduated West Oak high school (serving in on Oconee school board) when my daughter went to Juvenile Court due to tardiness and absences due to her car accident coming home from work and the fact that my Toyota car was about to throw a rod (couldn't drive over 50 mph going to school, but she looked at me, said she was sorry and gave me and my two children birthed late in my life, a real break due to my taking care of the children alone when I had bought them a home. My daughter was Miss West Oak twice and graduated with honors, then my son got the Chemistry award for the year he graduated. He self-learned how to play a used mandolin I had bought him, with joy and made an A on his school project, graduating with honors, also. Because she was kind to them at the hearing, they stayed in school, went to work after graduating at Lowe's and a restaurant and making me very proud. I will never forget her sincere apology that morning on Pine Street in front of that judge who also spoke to me kindly. Many women raise their children alone in my county, sadly so I contribute to the funds for them now. My former employer re-hired me right before he died last year and I am grateful. She was such a wonderful person and beautiful soul.*

“ *A condolence to the family of Chrissy Adams is insufficient to
convey to them and to others the gifts she unselfishly shared with
so many, some of which may not yet be discovered. Trust in these
words. Chrissy Adams' memory lives on. May her memory be for a
blessing.*

“ *Chrissy Adams has been my neighbor for the past 18 or so years, and she has been a sweet friend, whom I've known since before her sons were born. She and Eddie have been fine friends and neighbors, and she and I have shared our battles with the type disease with which she suffered long and hard. It is hard to see someone so young and vibrant with so much to live for, be cut short. To Eddie and her sons, my deepest thoughts and prayers.*
