“*Claudene and Mack were so much more than extended family! They were my Aunt and Uncle by heart. I was truly blessed to have shared them with your family! Claudene was truly a blessing to me through the years. She extended her wisdom and love to me when I needed it through many dark moments in my life. She cried with me at the passing of my beloved Auntie Carolyn and shortly after that when my own mother passed! Words cannot fully express how much I loved her and cherish my memories of spending time with her as we took my daughter to the Cabbage Patch hospital, and to meet and ride on Thomas the Tank Engine years ago! I take comfort knowing she is reunited with her true love and her beloved brother, my Uncle Ray. I know she watches over us now and especially her beautiful grandchildren and great grandchildren! My deepest sympathy and my love to all there as you celebrate this incredible woman! May God Bless you all!*
