

Mrs. Claudia Rebecca Powell

November 6, 1943 - December 16, 2023

Claudia Rebecca Powell passed away peacefully at home on December 16, 2023. Our darling wife, mother, grandmother, and friend will be greatly missed by all who knew her. Rebecca, or Boots, as some knew her, was born in Seneca, SC, to Claude Monroe Wooten and Lessie Rebecca Treadaway Wooten. She was preceded in death by her younger sister, Elaine Wooten Southern. Born and raised in the Upstate, she married Marion Joe (Pete) Powell Jr, and they began moving around the southeast with his career. She loved Nashville, where she met her lifelong best friends, but she was thrilled when they decided to move back home to Oconee County. Purchasing the beloved home and farm in which she was born, that is where she lived until she died.

She was a wonderful baker, great at crafts and talented at almost anything she tried to do, and there was nothing that she wouldn't attempt for her children and grandchildren. Always the PTA mom, you would usually find her with cupcakes in hand and heading to a school event when her children were young. She was a great friend, everyone's favorite travel and adventure buddy, and she would never say no to an impromptu trip or getaway. Her twin grandchildren, Harper and Ruby, were the pride and joy of her life. She will be greatly missed by her husband, Pete, her children Joey and Angel, her dear grandchildren, and everyone who knew her.

A memorial service will be held at 4:00 PM, Tuesday, December 19, 2023, at Davenport Funeral Home Chapel.

The family will receive friends from 3:00 PM – 4:00 PM, Tuesday, December 19, 2023, prior to the service, at Davenport Funeral Home.

Flowers are accepted.

The family is at the residence.

“ Whether we were at Powell tractor, her and Pedro’s house or at the mountains it was always great to see her and Pete (Pedro was John’s nickname for him). We always had fun I got to swim at her house a few times and met her granddaughters. people joke that Joey is my brother . I think so I’ve known him Pete and Rebecca my whole life they are like a second family.

“ I remember when I went to her house I only went twice but both were extremely memorable. The first time we drove there and when I met her it was like a sudden ray of sunshine was constantly around her. As I entered my friends before me they gave her a big hug and as said hello she quickly said not in these exact words but said “I’m sorry but I’d like a hug”. So I gave her a hug and it was one of the tightest bear hugs I have ever had. I was immediately accepted and that was something I had never felt before. The second time I went we stopped at the dollar general and we got all kinds of peeps. As I asked why Mrs Angel said “she loves peeps but likes them kinda stale so she won’t eat them right away” I remember thinking that was so crazy. As we brought her the peeps she looked like we had bought her the world. And then I happened to have caught 2 cats and kept them in her home until the end of my stay there I will never forget the kindness I was shown by her she truly was a kind and loving person.
