“ I read with sadness of your loss. Please know you have my deepest condolences. May your cherished memories and the warmth of family and friends help ease the pain of your loss. Draw close to God in prayer. He is a comforter of all those who mourn. In His Word the Bible, God tells us of a brighter future when our loved ones will awake from their restful sleep to enjoy life in paradise. John 11:11; Matthew 5:5; Revelation 21:3,4. Many are finding solace in this promise. I pray that you will also. Loving thoughts and prayers of peace are with you. Galatians 1:3

*Donnie LeRoy was one of the first persons I met when I came to work for Duke Energy in 1987. Soon afterwards, Donnie was teaching me how to rig loads and inspect cranes and other lifting equipment. I worked with him for 16 years before his retirement. During that time, he taught me a lot about working and living. Donnie and I shared many memories together. We were working together in the Oconee 525 switchyard that fateful day when the world trade center's were taken down. We went to his house and watched as these events unfolded. I can remember Donnie saying, "The world will be changed forever" and he was right! During a trip to Las Vegas, we got to explore and hike through the Valley of Fire to the north of the city. I worshiped with Donnie at Hopewell Baptist church and would discuss the sermon with him on Monday. If I was being hard headed, Donnie would soon pull me back inline the way Donnie could. He loved his wife and sons and would talk fondly about them during our time together. Family was very important to Donnie. Donnie was the first to visit my home after the birth of my Daughter Dakota. Donnie was Donnie! I never met anyone else like him and most likely want again. I am sure, as soon as Donnie gets settled in God's Kingdom, he will be looking for family members that have already passed on. Soon after that, he will be looking for a roping pen. I love you and will miss you Donnie! Brooks Morrow.*
