“ Peggy, I just learned of Clyde's death tonight (Mon.) or I would have certainly been at his service. My heart goes out to you and your family. I will always remember what a caring person Clyde was and what fun we all had as classmates at WHS and at our class reunions. I feel fortunate to have had the chance to chat individually with him a few years back about "old times" as both our minds wandered to our younger days. Love, Mary Lou Hamilton

Clyde and I went back to school late in life, from 1966 to 1970. We rode to class together, talked about our jobs, and our family, four nights a week for four years. Clyde was a "salt of the Earth person!" Those of us who knew him as a friend were fortunate. He will be sorely missed!

“ I will be eternally grateful to Clyde. He had a major influence on my life. When I was just a young boy he was my Sunday school teacher. He pointed me to Christ. Had it not been for Clyde and Wilbur Stevens, I may never have come to know Christ as Lord and Savior.
