“ I will always remember going to Rocky Knob with Collette and our families. I remember one time in particular when we hiked a fairly treacherous path to the fire tower. She was always a trooper and fun to be around! We will truly miss her!

“ Les & Mimi, Our Thoughts and prayers are with you and your family as such a time as this, I'm sure the pain of Collette's loss is overwhelming. To know beyond a shadow of a doubt that she is with our Lord and Savior with a new body, with pure joy and knowing that we too shall overcome and someday be with our loved ones, does help but the pain is still overwhelming. How fragile this life is, you both are wonderful parents and have no regrets for loving her and being with her with support giving her strength, God entrusted you both with His precious soul and found it was time for Him to take over...our hearts have a kindred Spirit and we empathize with your allowing Jesus to take her by the hand to be with HIM for eternity...God Bless you all
